A PRESCRIPTION FOR DYSPEPSIA.

Certain, harmless, rational, and most agreeable of all our drugs remedies. By complying with the following suggestions all the symptoms of dyspepsia, such as flatulence, acidity, nausea, vomiting, nervousness, insomnia, languidness, sick headache, heartburn, etc., etc., will disappear, the sufferer will again be cheerful, able to fulfill his duties and to enjoy life. Thousands have been profited already, and many thousands more can be made happy also. Now for the prescription:

Breakfast—A slice of toast or a dish of oatmeal meal, a cup of coffee or tea (if desired), and a glass of Arend's Kumyss.

Dinner—A moderate piece of lean beef or mutton, a mealy potato, a little bread, and a glass of Arend's Kumyss.

Supper—Do not feed whatever, simply one or two glasses of Arend's Kumyss. A glass of Kumyss may also be taken on retiring. Most people sleep better on it.

Though this regimen of diet may seem scant to such as are in the habit of satisfying their appetites (not distinguishing between appetite and hunger), yet scientific investigation and experience have proved that it is sufficient for all but hard laborers. With stores that the dyspeptic grows hearty, ruddy, healthy, where on a diet that he always good, weak, and sickly. One week's trial will tell the story and prove the truth of above suggestions.

For further particulars read "Treatise on Kumyss," mailed free to any address.

Beware of Imitations.

AREND'S KUMYSS
Milk Champagne

In the original article which has made the name of Kumyss famous. None of the imitations possess the delicacy of flavor nor the nutritive qualities of Arend's Kumyss. I have no agents and do not sell to druggists, but supply consumers directly.

Important Announcement!

We will place on sale Monday Morning, Aug 11, 1,000 (one thousand) Seal Plush Sacques at 15 per cent less than the prices we will ask for the same goods after Sept. 1. In order to firmly establish ourselves as the Leading Plush Garment House in the West we have determined to sell the above goods for the next three weeks at a small trifle above actual cost.

The advantages of buying early are many. First, there is a genuine saving of from $5.00 to $15.00, according to the price of the Garment. Second, you are sure you are buying the correct thing as Seal Plush Garments are going to be the fashionable garment of the season; that we guarantee. Third, you get your pick of a thousand fresh garments, and as it takes as much trouble and expense to make a Plush Sacque properly as it does a genuine Seal you will at once see the advisability of purchasing an article that is made during the dull season, and made with extra care, rather than buy one that has been rushed through during the hight of the season. Fourth, we will lay aside any garment that a lady may choose to be delivered at any time during the season, it being optional with her to pay the whole or part at the time of purchase. And, finally, we call the particular attention of the ladies of Chicago and the West to the improvements made in Seal Plush the past year. We would be pleased to show them whether they intend purchasing or not, as the goods are simply magnificent.
